County Profile Report Data Dictionary

I. County Identifying Information.

- A. County Number: Alphabetical listing
- B. SPOE Number: System Point Of Entry

II. Population Information.

- A. Total People living in the County.
- B. Total population 0 to 3 years of age.
- C. Number of children below 2500 grams at birth.
- D. Percentage changes in total county population.
- E. Percentage of low birth weight children within county.

III. Enrolled children by age.

Children who received services within time frame by age on 1 day of last month of report period. III D represents children who were served in the twelve month time frame but have aged out of the system prior to 1 day of last month of report period.

IV. County Totals.

This data is from the CRO claims database and excludes Evaluation/Assessment and IFSP Team Meeting claims submitted and paid.

- A. Total number of children within the county who received services and as percentage of total state population.
- B. Total service claims paid for children served in the county, and as percentage of total state claims paid.
- C. Total claims paid divided by the number of children served at the county level, and at the state level

V. County's Children in Statewide Percentage Breakout Groups of Annualized Claims Paid.

The data is from the CRO claims database and excludes Evaluation/Assessment and IFSP Team Meeting claims submitted and paid. Individual child service totals are annualized (sum of amount paid = Total amount paid/((duration of services + 1day)/366)) for all but Assistive Technology services.

- A. Number of Children in the county who are among top 5% of highest annualized expenditures in state.
- B. Number of Children in county who are in the middle 90% of annualized expenditures in state.
- C. Number of Children in the county who are among bottom 5% of annualized expenditures in state.

VI. Enrollment / Termination Information.

- A. Average age at referral
- B. Average days from referral to IFSP
- C. Only those coded as going to Special Education programs.
- D. Number of children whose families declined to participate, or Were Withdrawn by Parents. The percentage of children that number represents
- E. Percent of total children served by county.

VII. Race Information.

Racial distribution of children served

VIII. Income Information.

The poverty level information is from the SPOE statewide database and include the cumulative children with active IFSPs for the final month of the reporting period. Median Household Income is from census data.

IX. Program Eligibility

The program case counts are from CRO statewide match data and include the SPOE statewide cumulative children with active IFSPs for the final month of the reporting period.

X. Services

This data is from the CRO claims database and excludes Evaluation/Assessment and IFSP Team Meeting claims submitted and paid.

The counts are of the total number of children to receive each type of service in the county.
